CALL BEFORE YOU DIG-IT'S THE LAW

NYS Industrial Code Rule 53 Mandates 2-10 business days notice prior to excavation

**ATTENTION: WATER TEST IS REQUIRED ON ALL NEW WASTE PIPING INSTALLATIONS! MERCURY TEST OR PRESSURE TEST IS REQUIRED ON ALL GAS AND PROPANE INSTALLATIONS!**

\*\*\*\*\*

1. APPLICATION: completely filled out including name of owner, owner's phone number, address of premises, nearest cross street address of owner if different, plumber's name, license number, address & phone number.

- indicate the BUILDING PERMIT #, if applicable, in space provided.
- indicate in the boxes provided the fixtures being installed. Be sure that every item of plumbing work is included to avoid needing to amend the permit later.
- mfr. specifications for chimney liner for gas conversions.
- mfr. specifications for all gas fired appliances
- copy of electrician's license (Suffolk County Only)/insurance certificates
- Proof of liability insurance \$2.m/1.M
- Use space provided under "Other" to include vent stacks or other fixtures not itemized, including meter bar.
- GAS INSTALLATIONS - indicate what appliances are being installed and include tees being installed for future connections.
- Application is to be signed at the bottom by a Town Huntington licensed plumber, include License #, and notarized. If the plumbing work is existing, or done by the resident homeowner the homeowner must sign and have notarized.

NOTE: Gas Installation is to be done (and signed for) by a Huntington Licensed Plumber only!

2. RISER DIAGRAM is to be provided noting pipe diameters & material.  
FOR GAS - supply diagram noting location & size of piping to the meter.

3. FEES

\$30.00 for the first two plumbing fixtures or drainage work  
\$10.00 for each additional fixture

Water Closet (Toilet)	Bar Sink	Backflow Device
Bidet	Laundry Tub	Roof Drain
Urinal	Slop Sink	Main Water Service
Lavatory (Sink)	Floor Drain	Cesspool Connection
Bathtub	Indirect Waste	Hot Water Boiler
Shower	Drinking Fountain	
Kitchen Sink	Vent Stack	(Other)

GAS: \$50.00 for the first two (2) appliances or tanks (includes a Test)  
\$10.00 for each additional appliance or tank  
\$50.00 Fee for a reinspection visit or a failed Test.  
\$10.00 for each future tee connection. (No charge for the first Test at the time of the future connection) one future only - no future on boilers

OTHER

Fire Suppression: \$25.00  
Fire Sprinkler: \$ .50 per head, Min. \$50.00 Commercial  
Min. \$25.00 Residential

Plumbing Permit # will be assigned after completion of the above. A copy of the Plumbing Permit is provided the plumber (or Homeowner, if applicable). No work is to start until Permit is issued.

**BLANK CHECKS ARE NOT ACCEPTED. PERMIT FEE DETERMINED AFTER APPLICATION REVIEW. FEE DUE UPON ISSUE OF PERMIT.**
