COMMISSIONER REPORTS: Trustee Maline reported the Village is looking into public education for organic gardening and pesticides. T D'Amato landscaping and Terranova landscaping volunteered to help put together a palm card that local High School kids will pass out. This could turn into a couple of informational seminars held at Village Hall.

Trustee McMullen reported they are still struggling along with the shoreline sewer project because of the extreme cold.

Trustee Milligan reported the Village have a resolution on for tonight to sign an agreement with E-works for the pickup of electronic recyclables. The Village is looking to establish a drop off down at Scudder Park.

Mayor Doll reported the highway has been busy with snow. The snow budget: sand/salt overtime last year was \$70,000 we spent \$85,000 but being there was a surplus in the highway overtime line, so at the end of the year as far as snow removal we are still in the black by roughly \$12,000. The Village received an AA+ bond rating from Standards and Pours, the highest a Village can get. They quote overall net debt less than 3%, strong budgetary procedures amongst other things. This is good for the Village because we are looking to refinance the fire house bond.

CHIEF OF POLICE REPORT: The Chief reported the department responded to 230 calls for service, issued 74 summonses, made 14 arrests including 4 for larceny, 3 for possession of marijuana.
