## Collection Regulations

Place material at the curb in durable containers with close-fitting covers before 6 am on collection day but not before 12 noon on the day before collection. Please remove containers promptly after collection.

- Keep weight of each can, bag or bundle under 50 pounds
- Bundles must be shorter than 2 x 2 x 4 feet
- Place all items at curb in a safe condition to avoid injuring others
- Residents and/or contractors are responsible for the removal of large amounts of construction debris

**PLEASE NOTE:** If one of your garbage pick up days falls on a holiday - do not put it out until your next, regularly scheduled, garbage pick-up day.

**BULK PICK-UPS** are no longer scheduled with Village Hall, except for large metal items.\* You can put out 2 bulk items on your second, scheduled garbage day for pick up. Bulk waste includes: sofas, mattresses, carpet (cut, rolled and bundled in 4-ft lengths), stockade fencing (also bundled in 4-ft lengths). *So if needed, on your second, scheduled garbage day you might have out regular garbage, some bulk items and yardwaste! THE VILLAGE WILL NO LONGER PICK UP TIRES.*

\* Schedule with Village Hall all bulk metal items and appliances such as washers, dryers, ovens, lawn mowers, refrigerators (REMOVE DOORS), etc.

The municipal facility on Old Northport Road in Kings Park (location and hours of operation on page 7) is available if your needs exceed regular collection.

---

---

## E-Waste (Electronic Waste)

New York State Law now dictates that electronic waste cannot be placed at the curb for regular garbage pick-up. To make it easier for residents to dispose of these items, the Village now accepts E-Waste at Scudder Beach Park - in the building next to the wastewater treatment plant.

### Drop off hours:

Tuesdays and Thursdays from 8 am to 3 pm;  
Saturday from 8 am to 12 noon.

### Accepted E- Waste:

**COMPUTERS** - desktops, towers, lap-tops, notebooks, TV or monitors, printers, scanners, faxes, copiers, cable equipment - boxes, remotes, wire, light bulbs, batteries, vcr/dvd players, tablets, ipods, ipads, printer cartridges: laser or ink **BATTERIES:** lithium ion, Nicad, others  
**PHONES:** cell, home and office phone systems,  
**NETWORKING EQUIPMENT:** switches, routers, Wifi, cabling

Non-rechargeable batteries, such as 9V, A, AA, AAA, C, and D batteries can be disposed of in your household trash.

**Safe Disposal:** Northport Village has contracted with eWorks for our e-waste disposal. eWorks offers NIST 800-88 compliant systems for data erasure and destruction including: Media Sanitization using Blancco and Kill Disk Data purging through Degaussing or Secure Erase Media Destruction via shredding

### Other options for E-waste disposal:

The Town of Huntington's Recycling/S.T.O.P. facility at 641 New York Avenue or return them to the store where they were purchased. The New York State Wireless Recycling Act requires all cell phone providers that sell wireless phones to accept them for reuse or recycling.

**For more information visit:**  
<http://www.huntingtonny.gov/e-waste>

---

---

## Yardwaste Collection

Yardwaste cannot be mixed in with regular garbage. Put yardwaste out in separate bags or containers with your regular garbage, on your second garbage pick up day.

**ACCEPTED YARDWASTE:** Leaves, branches, hedge clippings, prunings and brush. Branches and brush must be tied into 4-ft long bundles, weighing no more than 50 lbs. Branches larger than 4 inches in diameter will not be picked up.

**NOT ACCEPTED:** Grass clippings, tree stumps, sod, dirt, sand, rocks, stones. Residents are responsible for disposing of these items at the landfill or by private dumpster. For more information call the Smithtown Landfill at 269-6600.

**It is against Village Code to blow debris into the street, unless you clean it up immediately and dispose of it properly.**

**NOTE: Grass clippings are not accepted at the landfill but can be dropped off at the Huntington Recycling/S.T.O.P. facility for a fee of \$2.00 a bag**

**RECYCLE YOUR GRASS – don't blow or bag – "just mow it!"**

---

---

### Trees:

In accordance with Village code, it's unlawful for any person to remove, destroy or substantially alter the habitat of more than 10% of the trees (a tree is defined as having a diameter of 16" plus and being 4.5 feet from the ground) on any parcel of real property within the Village without **first** obtaining a \$25 tree permit.

For more information about the Village's tree policy visit:

<http://www.northportny.gov/pages/trees.html>

You can download a tree permit at: <http://www.northportny.gov/docs/treeremovalpermit.pdf>

### Stormwater Run-off:

Stormwater run-off is excess rain or snowmelt which carries sediment and toxic materials like pesticides, pool water, animal waste, motor oil, cigarette butts, etc. into our Harbor. State and Federal laws require that the Village strive to reduce the

amount and negative effects of stormwater.

Dumping debris, paint, solvents and other waste matter into Village storm drains and basins is illegal, as is the illicit hook up of waste water pipes, washing machines, toilets, etc. to Village storm drains and basins.

Call the Stormwater  
Tipline at  
261-7502, ext. 313 with  
any information  
regarding stormwater  
run-off or illegal  
dumping in Village  
storm drains.

*Please protect our  
beaches and waterways  
as stormwater run-off  
can often lead to beach  
closings.*

---

---

***Help the Village avoid flooding by removing obstructions from drainage inlets, curbs and catch basins during heavy rains.***

---

---

---

---

## Construction Hours

It is unlawful and a violation of Village code for any person to undertake or engage in any exterior or outdoor construction activity for which a permit is needed, during the hours of 8 am and 7 pm on weekdays and from 9 am to 6 pm on weekends -- except in the case of an emergency or in the interest of public safety.

A dumpster permit (no charge) is required for any container that is placed on a Village street for an allowable maximum time of 48 hours.

---

---

### Permits or approval are required for the following:

#### Building construction

Retaining walls (new or replacement)

Plumbing work (other than the maintenance of existing)

Detached structures such as swimming pools; sheds; garages; cabanas; sport courts, etc.

Decks (new or enlargement of existing deck)

Driveways (new or increasing the size of an existing driveway and/or paving over pervious driveway)

Removal of more than 10% of trees on any real property

Structure or unacceptable plantings in the unpaved portions of the right of way

#### New electrical work

Disturbance of areas that slope 10% or more (slopes more than 1 foot in 10 foot run)

Any type of work on paved portions of streets, sidewalks and curbs

Outdoor fires

Garage sales

New signs or replacement of existing signs

Installation of a fireplace and/or wood burning stove

Dumpsters that will be placed on the street or in the Village right of way

*For more information about the Northport Village code go to [www.generalcode.com](http://www.generalcode.com)*

---

---

**Snow Removal** Every owner, lessee, tenant, occupant or other person in charge of any real property in the Business district or of any institutional use (school, library) on any real property in a Residential district, shall be responsible for the removal of snow and ice from any improved sidewalk within four hours after snow has ceased to fall, except between the hours of 9 pm and 7 am.

In the event that the snow or ice on the improved sidewalk is frozen said owner, lessee, etc., shall spread sand, salt or sawdust on the improved sidewalk as soon as the weather permits and then clear and clean said sidewalk.

**FOR YOUR  
FAMILY'S SAFETY:**  
*Please be sure that your  
house number is clearly  
visible from the street  
to avoid any delay in the  
response of emergency  
personnel or vehicles*
