

Idea Submission for "My Healthy Northport"

My Healthy Northport

The Purpose of "My Healthy Northport" is to optimize the potential of all Village residents, families, employees, and businesses. Success is achieved through the ongoing development and delivery of meaningful programming that supports the well-being of our community in the following ways: Emotional, Spiritual, Physical, Intellectual, Financial, Educational, Social, Occupational, And Environmental.

...

While all applicants are welcome to apply, Village residents and businesses will be given priority in the review process.
