

Counseling - College & Career

During the Library's closure due to the Covid-19 pandemic, the Miller Business Center at Middle Country Public Library will be offering Career & College Counseling remotely. At this time, this service is available to patrons with valid library cards at their local library.

Here is a link to access the sign up form <http://tinyurl.com/mcpl-cc>

Here is a link for anyone who doesn't have a Library card (or can't locate it) to obtain a temporary card <https://search.livebrary.com/selfreg>

Please allow 24-48 hours for your request to be answered. Based on your request, you will be contacted by a Career Counselor via e-mail. The counselor will work with you regarding your request and the best means of communication between you and the counselor.

Your request will be processed in the order that it is received.

The counselors are ready to go and would be happy to help anyone who has questions about employment issues at this difficult time!
