I am writing to oppose issuing of any variances for the Kehoe construction on Mariners Lane. He has not respected the process at any point and continues to disregard and disrespect the residents of the area and the village as a whole. It is unconscionable. Approval of these variances would send the message to all village residents that the rules are no longer any concern and everyone can get away with whatever they want as long as they don't ask. These are not honest mistakes or misunderstandings, these are deliberate deceptions and abuses.

I hope you will not allow or forgive these actions. Please deny these applications.

Regards,

Ryan McGrath

Hi , I am resident of Northport, looking to buy a legal 2 family in Northport Village. Where can I go to find out Landlord & tenants Rights. Also I have questions about parking. Currently the tenants use a driveway that is own by the house be hide the house they live in. The Tenants have three parking spot on the property they rent from. How do I find out if there is an easement to allow them to keep using the driveway. Knowing that parking is a issue in the village not having off road parking could impede my ability to rent. Please get back to me A.S.A.P I, I need this information before I make a offer you can reach me at 516-998-8648 thank you JeanAnn
