

In Honor of America's 250th Anniversary
**SUFFOLK COUNTY EXECUTIVE EDWARD P. ROMAINE
 & SUFFOLK COUNTY CLERK VINCENT PULEO PRESENT**

PLANTING IT FORWARD TO THE YEAR 2276

A Living Legacy for America's 250th Anniversary

Be Part of History. Leave a Lasting Legacy.

Join us in this 250th Commemorative Initiative!

Plant a tree. Dedicate it. Register it.

Join the Living Legacy Tree Registry—a permanent record preserved by the Suffolk County Clerk.

HOW IT WORKS

1. Plant a Tree

at your home, a park,
or in the community

2. Dedicate It

to a loved one, the
future, or even a pet

3. Register Online

Use the QR code or
go to the website

4. Receive a Certificate

Self-download
your certificate

Suffolk County is proud to launch the Living Legacy Tree Registry, a permanent historical record of trees planted throughout Suffolk County in celebration of the 250th Anniversary of the United States. Beginning on Arbor Day, April 24, 2026, and continuing through June 1, 2026, residents are invited to plant a tree and register it as part of this countywide legacy project. You can pick up a free Red Oak tree in one of 10 Suffolk County Parks, buy a tree at your local nursery, or pick one up at any tree distribution event happening around the county.

Participants should plant their tree within Suffolk County and register its location through www.suffolk250.org or by scanning the QR above. Registrants may dedicate their tree in honor of a loved one, a family member, or future generations. For each registered tree, you will be able to download a Suffolk 250 Living Legacy Certificate of Registration. The Living Legacy Tree Registry will be **permanently preserved** and displayed in a ceremonial volume maintained by the Office of the Suffolk County Clerk, creating a lasting record of Suffolk County's contribution to America's 250th Anniversary.

The Village of Northport is pleased to partner with the Planting it Forward Initiative in celebration of America 250.
